

**Neurosurgery Grand Rounds - Engineering Novel Antibody and Nanoparticle Platforms for Imaging and  
Therapeutic Applications  
January 16, 2020  
7:00 AM - 8:00 AM**

**Target Audience**

This program has been designed for Neurological Surgery, Surgery

**Series Educational Objectives**

After participating in this regularly scheduled series, participants should be able to:

- 1 Incorporate new and changing neurosurgical clinical practice guidelines into routine care.
- 2 Identify initiatives in improving quality of care delivery and newly implement or continue to implement quality of improvement measures in neurosurgical practice.
- 3 Conceptualize and describe the importance of health care policies, health system performance, and patient experiences in neurosurgery

**Session Educational Objectives**

After completing this educational activity, participants should be able to:

- 1 Explain the potential benefits of using nanoparticles as delivery platforms for imaging and therapeutic agents
- 2 Describe how advances in site-specific antibody bioconjugations can lead to new imaging and therapeutic strategies

**Accreditation**

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Designation of Credit**

**Physicians:** Penn Medicine designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credits™**.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** This activity is for **1.00** contact hours.

**Pharmacists:** This activity is not approved for pharmacy contact hours

**PAs:** AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of **1.00** Category 1 credits for completing this activity.

**Acknowledgement of Commercial Support\***

### Disclosure of Relevant Financial Relationships and Unapproved Uses of Products

It is policy at Penn Medicine Office of Continuing Medical and Interprofessional Education for individuals who are in a position to control the content of an educational activity to disclose to the learners all relevant financial relationships that they have with any commercial interest that provide products or services that may be relevant to the content of this continuing education activity. For this purpose, we consider relationships of the person involved to include financial relationships of a spouse or partner.

The intent of this policy is to ensure that Penn CME/CE certified activities promote quality and safety, are effective in improving medical practice, are based on valid content, and are independent of control from commercial interests and free of commercial bias. Peer review of all content was conducted for all faculty presentations whose disclosure information was found to contain relationships that created a conflict of interest relevant to the topic of their presentation. In addition, all faculty were instructed to provide balanced, scientifically rigorous and evidence-based presentations.

The staff in the Office of Continuing Medical and Interprofessional Education (CME and IPCE), have disclosed that they have no relevant financial relationships with any commercial interests related to the content of this educational activity. Any peer reviewer with a potential conflict of interest will recuse themselves from the peer review process.

Name of individual	Individual's role in activity	Name of commercial interest/Nature of relationship
Eileen Maloney Wilensky, MSN, ACNP		Nothing to disclose
Susan Small, none	Activity Coordinator	Nothing to disclose
Gordon Baltuch, MD, PhD	Course Director	Nothing to disclose
Kalil Abdullah, MD	Other Planning Committee Member	Nothing to disclose
M. Sean Grady, MD	Other Planning Committee Member	Nothing to disclose
Eric Hudgins, MD, PhD	Other Planning Committee Member	Nothing to disclose
Matthew Piazza, MD	Other Planning Committee Member	Nothing to disclose
Andrew Tsourkas, PhD	Faculty	Founder and Scientific Advisor-AlphaThera, LLC-N/A Founder and Scientific Advisor-PolyAurum, LLC-Oncology

Relevant financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received or expected
