Neuroendocrine Tumor Board 2018-2020

December 13, 2019

7:00 AM - 8:30 AM

Target Audience

This program has been designed for Pediatrics, Interventional Radiology And Diagnostic Radiology, Nuclear Medicine, Internal Medicine - Medical Oncology, Ophthalmology, Pathology - Clinical, Radiation Oncology, Surgery, Internal Medicine - Endocrinology, Diabetes And Metabolism, Internal Medicine - Gastroenterology, Internal Medicine, Internal Medicine - Nephrology, Otolaryngology, Medical Genetics And Genomics - Molecular Genetic Pathology, Surgery - Complex General Surgical Oncology

Series Educational Objectives

After participating in this regularly scheduled series, participants should be able to:

- 1 Develop appropriate, comprehensive, multidisciplinary clinical treatment plans for NET patients and their families.
- 2 Demonstrate an in-depth knowledge of the various imaging techniques and treatment options through nuclear medicine for the diagnosis, surveillance and treatment of NET patients.
- 3 Discuss the rapidly evolving field of neuroendocrinology through analysis of best medical practices and research.

Session Educational Objectives

After completing this educational activity, participants should be able to:

- 1 Develop appropriate, comprehensive, multidisciplinary clinical treatment plans for NET patients and their families.
- 2 Demonstrate an in-depth knowledge of the various imaging techniques and treatment options through nuclear medicine for the diagnosis, surveillance and treatment of NET patients.
- 3 Discuss the rapidly evolving field of neuroendocrinology through analysis of best medical practices and research.

Accreditation

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Penn Medicine designates this live activity for a maximum of **1.50 AMA PRA Category 1 Credits™**.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This activity is for **1.50** contact hours.

Pharmacists: This activity is approved for **1.50** contact hours

UAN Number: JA0000324-0000-18-016-L04-P

PAs: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of **1.50** Category 1 credits for completing this activity.

Approved for (PSRM) patient safety/risk management designation

Acknowledgement of Commercial Support*

None

Disclosure of Relevant Financial Relationships and Unapproved Uses of Products

It is policy at Penn Medicine Office of Continuing Medical and Interprofessional Education for individuals who are in a position to control the content of an educational activity to disclose to the learners all relevant financial relationships that they have with any commercial interest that provide products or services that may be relevant to the content of this continuing education activity. For this purpose, we consider relationships of the person involved to include financial relationships of a spouse or partner.

The intent of this policy is to ensure that Penn CME/CE certified activities promote quality and safety, are effective in improving medical practice, are based on valid content, and are independent of control from commercial interests and free of commercial bias. Peer review of all content was conducted for all faculty presentations whose disclosure information was found to contain relationships that created a conflict of interest relevant to the topic of their presentation. In addition, all faculty were instructed to provide balanced, scientifically rigorous and evidence-based presentations.

The staff in the Office of Continuing Medical and Interprofessional Education (CME and IPCE), have disclosed that they have no relevant financial relationships with any commercial interests related to the content of this educational activity. Any peer reviewer with a potential conflict of interest will recuse themselves from the peer review process.

Relevant financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received or expected
