Maternal Fetal Medicine Fellows Lecture Series 2018-2020

Fetal Brain Anatomy Part 1 - Maternal Fetal Medicine Fellows Lecture Series 2018-2020

December 11, 2019

12:00 PM - 1:00 PM

Target Audience

This program has been designed for Internal Medicine - Hematology, Internal Medicine - Interventional Cardiology, Internal Medicine - Medical Oncology, Internal Medicine - Endocrinology, Diabetes And Metabolism, Obstetrics And Gynecology - Gynecologic Oncology, Obstetrics And Gynecology - Maternal And Fetal Medicine, Obstetrics And Gynecology - Reproductive Endocrinology/Infertility, Pediatrics - Neonatal-Perinatal Medicine, Pediatrics - Pediatric Cardiology, Pediatrics - Pediatric Endocrinology, Pediatrics - Pediatric Hematology-Oncology

Series Educational Objectives

After participating in this regularly scheduled series, participants should be able to:

- 1 Identify fetal abnormalities and growth restriction on ultrasound and develop differential diagnosis when detecting a specific fetal anomaly
- 2 Demonstrate proficiency in invasive ultrasound procedures
- 3 Demonstrate increased knowledge and skills for counseling pregnant women with fetal anomalies
- 4 Develop differential diagnoses when evaluating a sick and complex obstetrical patient

Session Educational Objectives

After completing this educational activity, participants should be able to:

- 1 Discuss evidence-based reviews which are often ultrasound-related and where the fellow presents the available literature on the subject and the entire MFM Division discussed the impact on management.
- 2 These lectures are designed to be image-based but also show how these images relate to the overall clinical management and counseling of our patients.

Accreditation

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Penn Medicine designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This activity is not approved for nursing contact hours

Pharmacists: This activity is not approved for pharmacy contact hours

PAs: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of **1.00** Category 1 credits for completing this activity.

Acknowledgement of Commercial Support*

None

Disclosure of Relevant Financial Relationships and Unapproved Uses of Products

It is policy at Penn Medicine Office of Continuing Medical and Interprofessional Education for individuals who are in a position to control the content of an educational activity to disclose to the learners all relevant financial relationships that they have with any commercial interest that provide products or services that may be relevant to the content of this continuing education activity. For this purpose, we consider relationships of the person involved to include financial relationships of a spouse or partner.

The intent of this policy is to ensure that Penn CME/CE certified activities promote quality and safety, are effective in improving medical practice, are based on valid content, and are independent of control from commercial interests and free of commercial bias. Peer review of all content was conducted for all faculty presentations whose disclosure information was found to contain relationships that created a conflict of interest relevant to the topic of their presentation. In addition, all faculty were instructed to provide balanced, scientifically rigorous and evidence-based presentations.

The staff in the Office of Continuing Medical and Interprofessional Education (CME and IPCE), have disclosed that they have no relevant financial relationships with any commercial interests related to the content of this educational activity. Any peer reviewer with a potential conflict of interest will recuse themselves from the peer review process.

Name of individual	Individual's role in activity	Name of commercial interest/Nature of relationship
Michele Steuber, None	Activity Coordinator	Nothing to disclose
Lisa Levine, MD, MSCE	Course Director	Nothing to disclose
Adi Hirshberg, MD	Other Planning Committee Member	Nothing to disclose
Nadav Schwartz, MD	Other Planning Committee Member, Faculty	Nothing to disclose
Eileen Wang, MD	Other Planning Committee Member	Nothing to disclose

Relevant financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received or expected
