## Emergency Medicine Grand Rounds 2018-2020

### Emergency Medicine Grand Rounds 2018-2020- Addressing Substance Use Disorders in the ED

December 11, 2019

10:00 AM - 11:00 AM

John Pryor Conference room - Founders Bldg.

#### Target Audience

This program has been designed for Emergency Medicine

#### Series Educational Objectives

After participating in this regularly scheduled series, participants should be able to:

- 1 Describe updates in various specialties as they apply to emergency medicine
- 2 Describe recent research in the field of emergency medicine that can affect the care of our patient population, including updates in research, educational innovations, and operations advances.

#### Session Educational Objectives

After completing this educational activity, participants should be able to:

- 1 Describe the evidence and support for initiatives in opioid stewardship to improve safe opioid use.
- 2 Describe how to effectively use opioid-related data to influence clinician behavior and drive sustainable change.
- 3 Describe the successes and challenges of initiating buprenorphine in the emergency department and health system.

#### Accreditation

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

#### Designation of Credit

**Physicians:** Penn Medicine designates this live activity for a maximum of **1.00 AMA PRA Category 1 Credits™**.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** This activity is not approved for nursing contact hours

**Pharmacists:** This activity is not approved for pharmacy contact hours

**PAs:** AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of **1.00** Category 1 credits for completing this activity.

**Penn Medicine has designated this educational activity toward the PA State Board of Medicine licensing renewal requirement for accredited education on pain management, identification of addiction, and/or the practices of prescribing or dispensing opioids.**

**Acknowledgement of Commercial Support\***

None

### Disclosure of Relevant Financial Relationships and Unapproved Uses of Products

It is policy at Penn Medicine Office of Continuing Medical and Interprofessional Education for individuals who are in a position to control the content of an educational activity to disclose to the learners all relevant financial relationships that they have with any commercial interest that provide products or services that may be relevant to the content of this continuing education activity. For this purpose, we consider relationships of the person involved to include financial relationships of a spouse or partner.

The intent of this policy is to ensure that Penn CME/CE certified activities promote quality and safety, are effective in improving medical practice, are based on valid content, and are independent of control from commercial interests and free of commercial bias. Peer review of all content was conducted for all faculty presentations whose disclosure information was found to contain relationships that created a conflict of interest relevant to the topic of their presentation. In addition, all faculty were instructed to provide balanced, scientifically rigorous and evidence-based presentations.

The staff in the Office of Continuing Medical and Interprofessional Education (CME and IPCE), have disclosed that they have no relevant financial relationships with any commercial interests related to the content of this educational activity. Any peer reviewer with a potential conflict of interest will recuse themselves from the peer review process.

Name of individual	Individual's role in activity	Name of commercial interest/Nature of relationship
Michele Haynes, BSHA	Activity Coordinator	Nothing to disclose
Sandra King, Associate	Activity Coordinator	Nothing to disclose
Mira Mamtani, MD-FCBC	Course Director	Nothing to disclose
Laurenweinberger Conlon, MD	Other Planning Committee Member	Nothing to disclose
Kevin Scott, MEd	Other Planning Committee Member	Nothing to disclose
Jeanmarie Perrone, MD-FCBC	Faculty	Nothing to disclose

Relevant financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received or expected
