

Practical Applications in Forensic Psychiatry 2025-2026 - 2/17/2026; Rethinking Competency

Restoration: Exploring Alternatives to Hospitalization

February 17, 2026

10:00 AM - 12:00 PM

Target Audience

This program has been designed for PSYCHIATRY, PSYCHIATRY AND NEUROLOGY - Addiction Psychiatry, PSYCHIATRY AND NEUROLOGY - Child and Adolescent Psychiatry, PSYCHIATRY AND NEUROLOGY - Forensic Psychiatry, PSYCHIATRY AND NEUROLOGY - Geriatric Psychiatry, PSYCHIATRY AND NEUROLOGY - Pain Medicine

Series Educational Objectives

After participating in this regularly scheduled series, participants should be able to:

- 1 Discuss the latest legal decisions in the mental health field.
- 2 Describe how to implement changes in report writing that need to parallel case law.
- 3 Discuss how to modify expert testimony to accommodate legal decisions.

Session Educational Objectives

After completing this educational activity, participants should be able to:

- 1 Discuss current competency to stand trial restoration practices in Pennsylvania, including the roles of Torrance and Norristown State Hospitals.
- 2 Discuss how to compare and contrast various competency restoration models, including inpatient, jail-based, mobile, and outpatient approaches.
- 3 Discuss how to identify challenges of predominantly hospital based restoration and evaluate the benefits and limitations of alternative models.

Accreditation

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Penn Medicine designates this live activity for a maximum of 2.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This activity is not approved for nursing contact hours

Pharmacists: This activity is not approved for pharmacy contact hours

PAs: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of **2.00** Category 1 credits for completing this activity.

Psychologists: Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs. This activity awards up to 2.00 credits for Psychologists.

Acknowledgement of Commercial Support*

None

Disclosure of Relevant Financial Relationships and Unapproved Uses of Products

It is policy at Penn Medicine Office of Continuing Medical and Interprofessional Education for individuals who are in a position to control the content of an educational activity to disclose to the learners all relevant financial relationships (RFRs) that they have with any ineligible company, which is defined as any company whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Disclosure to learners includes all RFRs for all those in control of content including faculty, planners, moderators, and reviewers.

The intent of this policy is to ensure that Penn CME/CE certified activities promote quality and safety, are effective in improving medical practice, are evidence-based, are based on valid content, and are independent of control from ineligible companies and free of commercial bias. Peer review of all content was conducted for all faculty presentations whose disclosure information was found to contain any financial relationships. Part of the peer review process involved reviewing the content, determining which financial relationships were relevant, and applying appropriate mitigation strategies. In addition, all faculty were instructed to provide balanced, scientifically rigorous and evidence-based presentations.

The staff in the Office of Continuing Medical and Interprofessional Education (CME and IPCE), have disclosed that they have no financial relationships with any ineligible companies. Any peer reviewer who is determined to have a relevant financial relationship must recuse themselves from the peer review process.

Name of individual	Individual's role in activity	Nature of Relationship(s) / Name of Ineligible Company(s)
Frank Dattilio, PhD	Other Planning Committee Member	Nothing to disclose - 08/19/2025
John Northrop, MD, PhD	Course Director	Nothing to disclose - 08/26/2025
Amber Norwood, PhD	Faculty	Nothing to disclose - 01/26/2026
Annie Steinberg	Other Planning Committee Member	Nothing to disclose - 08/26/2025
Clarence Watson, MD, JD	Other Planning Committee Member	Nothing to disclose - 09/02/2025
Kenneth J Weiss, MD	Other Planning Committee Member	Nothing to disclose - 09/05/2025

Relevant financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received or expected
