### About ECRI

ECRI is an independent, nonprofit organization improving the safety, quality, and cost-effectiveness of care across all healthcare settings. With a focus on patient safety, evidence-based medicine, and health technology decision solutions, ECRI is the trusted expert for healthcare leaders and agencies worldwide. The Institute for Safe Medication Practices (ISMP) is an ECRI affiliate. Visit [ecri.org](http://ecri.org) and follow @ECRI\_Org.

ECRI is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The CME opportunities associated with these courses have been planned and implemented in accordance with the Essential Areas and Elements and Accreditation Policies of ACCME and designated for AMA PRA Category 1 Credits.

ECRI also awards California state nursing contact hours through our provider Debora Simmons on many of the courses as well.

Please check the accreditation tab on the individual course home page for a complete listing of credits awarded for each course along with instructions on how to obtain these credits.
