

## **Genes, Choices, and Ethics: Navigating the Moral Dilemmas in Genetic Counseling**

1. Register for the activity
2. Click the **Attendance Attestation** button to indicate that you will confirm your participation
3. Click the **Attendance Instructions** button for important directions on registering your participation
4. Click the **Attendance Verification Attestation** button to verify you registered your participation
5. Click the **Pre-Test** button for Module #1, answer the questions, and submit your test
6. Once the **Launch Video** button activates, you can watch Module #1
7. Once Module #1 is complete, click the **Post-Test** button, answer the questions, and submit your test. A button to view your **Test Results** will be available
8. Select the **Launch Evaluation** button for Module #1 Evaluation and click the link to complete the evaluation
9. Once you submit your evaluation responses, you will be directed to go back to CloudCME to start the next Module
10. Repeat these steps until all Modules have been viewed and all Evaluations have been completed.
11. Once all modules have been viewed and evaluations have been completed, click the **Post Activity Attestation** and submit your answers.
12. You will then be directed to the **Overall Activity Evaluation** and submit your responses
13. Once the Overall Activity Evaluation is complete, the Download Certificate button will appear, allowing you to download and save your certificate of completion.
14. Send a copy of your certificate as a PDF to Lisa Weitzman at [Lisa.weitzman@penntmedicine.upenn.edu](mailto:Lisa.weitzman@penntmedicine.upenn.edu) with the following file name LastName\_FirstName\_NSGC ID\_GCE (example **Smith\_Chris\_NSCG 12345\_GCE.pdf**)
15. Allow six weeks from completion for your credits to show on your NSGC profile.
