CURRENT ADVANCES IN HEART & VASCULAR CARE 2020

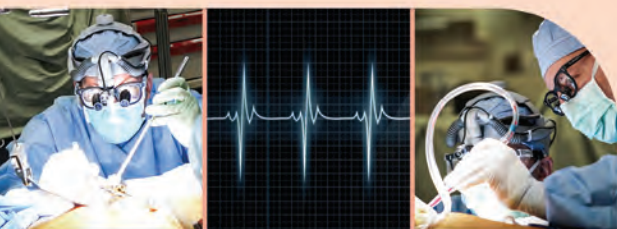

A CME/CNE-ACCREDITED CONFERENCE

Saturday, February 29, 2020

REGISTRATION 7:00 AM – 7:30 AM

SCIENTIFIC PROGRAM 7:30 AM – 3:00 PM

**Sheraton Valley Forge Hotel
480 North Gulph Road
King of Prussia, PA 19406**

IN CONJUNCTION WITH

Penn Medicine
Chester County Hospital

COURSE DIRECTORS

Timothy Boyek, MD

Mian A. Jan, MD

W. Clay Warnick, MD

Steven J. Weiss, MD, MBA

<https://upenn.cloud-cme.com/CAHVC20>

Program Overview & Target Audience

Current Advances in Heart & Vascular Care 2020 will provide the most current, evidence-based strategies for managing cardiovascular disease. The goal is to increase the knowledge of the interprofessional and multidisciplinary learners by providing them with the ability to provide high quality, cost effective care that will lead to superior, improved patient outcomes.

This activity has been designed for primary care physicians, interventional cardiologists, clinical cardiologists, cardiac surgeons, vascular surgeons, hospitalists, emergency medicine specialists, interventional radiologists, nurses, physician assistants, technologists and other members of the health care team who want to enhance their knowledge of current advances in the management of patients with heart and vascular disease.

Course Objectives:

Upon completion of this activity, participants should be able to:

- Apply evidence-based medicine to provide appropriate care for patients in cardiogenic shock.
- Apply evidence-based medicine while understanding symptoms, risk factors, causes and treatments of aortic dissection.
- Identify the role of artificial intelligence technology in determining valvular heart disease.
- List 2 or more specific important clinical signs clearly seen on echocardiogram or other cardiac imaging.
- Describe new techniques, medications and procedures utilized in the care of the patient with cardiovascular disease.
- Describe methods and strategies to prevent medical professional burn-out.
- Apply evidence-based knowledge in the treatment of patients with hypertension.

Hosting Department and Organization

Current Advances in Heart & Vascular Care 2020 is hosted by the Department of Heart and Vascular Services at Chester County Hospital.

Services for the Disabled If special arrangements are required for an individual with a disability to attend this conference, please contact the Office of Continuing Medical and Interprofessional Education no later than February 14, 2020 at 215-898-8005.

Accreditation and Credit Designation

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American

Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Penn Medicine designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This program provides 6.5 contact hours.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of 6.5 Category 1 credits for completing this activity.

Certificates and Transcripts: After the conference has concluded, all participants will receive a follow-up email with instructions and a link. Once participants submit the request for credit, the earned credits will be available for viewing on your transcript or available for printing at <https://upenn.cloud-cme.com>. Please note that the individual certificate will not be mailed.

Disclosures

Penn Medicine, Office of Continuing Medical and Interprofessional Education, adheres to the *ACCME Standards for Commercial Support*. Faculty disclosure information will be made available in the conference materials and syllabi. Faculty members are also expected to disclose to participants any discussions of off-label and/or investigational uses of pharmaceutical products or devices within their presentations.

Nondiscrimination Statement The University of Pennsylvania values diversity and seeks talented students, faculty, and staff from diverse backgrounds. The University of Pennsylvania does not discriminate on the basis of race, sex, sexual orientation, gender identity, religion, color, national or ethnic origin, age, disability, or status as a Vietnam Era Veteran or disabled veteran in the administration of educational policies, programs or activities; admissions policies; scholarship and loan awards; athletic, or other University administered programs or employment. Questions or complaints regarding this policy should be directed to Executive Director, Office of Affirmative Action and Equal Opportunity Programs, 3600 Chestnut Street, Sansom Place East Suite 228, Philadelphia, PA 19104-6106 or 215-898-6993 (Voice) or 215-898-7803 (TDD). www.upenn.edu/affirm-action.

Chester County Hospital | 701 East Marshall Street, West Chester, PA

Registration Fees

The registration fees for the *Current Advances in Heart & Vascular Care 2020* are the following: \$99 for Physicians or Industry Representatives, \$79 for Physician Assistants, Nurse Practitioners and Certified Registered Nurse Anesthetists. \$59 for Nurses and Healthcare Professionals.

ATTN Chester County Hospital and Penn Medicine employees, faculty and staff: The registration fee is \$49. In order to register at the reduced rate, you must sign into your account at <https://upenn.cloud-cme.com> and register online.

The registration fee includes attendance to the conference, a course booklet, a link to view the presentations online, continental breakfast, mid-morning and afternoon breaks as well as lunch.

If you are registering with a credit card, please register online at <https://upenn.cloud-cme.com/CAHVC20>. We cannot accept faxed or mailed registration forms with credit card information. To pay by check, complete the registration form and mail it in with your check. Please see the registration form for mailing information.

Please note: mailed registrations can take up to 5-10 business days before they are received. All registrations will be confirmed by email as long as your registration is received no later than February 26, 2020.

Cancellation and Refund Policy

In order to process refunds for course withdrawals, cancellations must be received in writing by February 14, 2020 and are subject to a \$15.00 service charge. No refunds will be issued thereafter.

The University reserves the right to cancel or postpone this course due to unforeseen circumstances. In the event of a cancellation or postponement, the University will refund registration fees but is not responsible for related costs or expenses to participants, including cancellation fees assessed by hotels, airlines, and travel agencies.

Meeting Location

Current Advances in Heart & Vascular Care 2020 will be held Saturday, February 29, 2020 at the Sheraton Valley Forge Hotel, 480 North Gulph Road, King of Prussia, PA 19406. Phone: 484-238-1800. For more information on the Sheraton Valley Forge Hotel, please visit their website at <http://www.sheratonvalleyforge.com>. If you require an overnight reservation, call Sheraton Valley Forge Hotel reservations directly at 484-238-1800.

Please note: There is no special room rate being offered for this conference. Pricing and rooms are subject to availability.

Parking: The Sheraton Valley Forge offers complimentary self-parking.

CURRENT ADVANCES IN HEART & VASCULAR CARE 2020

AGENDA

7:00 AM – 7:30 AM

Registration and Continental Breakfast

7:30 AM – 7:35 AM

Opening Remarks

W. Clay Warnick, MD

7:35 AM – 8:10 AM

Management of Cardiogenic Shock

- Describe the role of temporary circulatory support devices in managing cardiogenic shock
- Review of shock algorithms for treatment

J. Eduardo Rame, MD

8:10 AM – 8:35 AM

Which Stress Test to Order and When

- Identify the most appropriate stress test based on patient presentation

Donna M. Reed, DO

8:35 AM – 9:05 AM

Primary & Secondary Hypertension

- Review the current guidelines and how to apply them
- Describe the role of medication therapy in the treatment of chronic kidney disease

Ambereen Jan, MD and Michael R. Lattanzio, DO

9:05 AM – 9:20 AM **Questions & Answers**

9:20 AM – 9:35 AM **Break**

9:35 AM – 10:00 AM

The Strength of High Sensitivity Troponin

- Identify two changes in the reporting of high sensitivity troponin as compared to contemporary Troponin I reporting and the criteria to make a diagnosis of MI
- Review the impact of the delta of the hs troponin

Timothy Boyek, MD

10:00 AM – 10:25 AM

Management of Atrial Fibrillation and the Utilization of Smart Devices

- Discuss the role of fitness apps and trackers in the management of afib
- Provide an update on pharmacological management of afib and devices used to identify afib

Jane O'Neill, ACNP

10:25 AM – 10:50 AM

What you Really Need to Know: Cardiac Imaging Reports

- Discuss key elements in cardiac imaging reports
- Review the role of echo as a diagnostic tool, when is it appropriate

Ron M. Jacob, MD, FACC, FASE, FSCCT

Saturday, February 29, 2020

Sheraton Valley Forge Hotel

480 North Gulph Road, King of Prussia, PA 19406

10:50 AM – 11:15 AM

**4th & 1: Strategic Primary Care Approaches
to Valvular Heart Disease**

- Identify local demographic and incidence of Valvular heart disease
- Review current treatment options of Valvular heart disease
- Discuss common post-valvular intervention findings and associate treatment approaches

David Brian Jones, MSN, CRNP, ACNP-BC

11:15 AM – 11:30 AM **Questions & Answers**

11:30 AM – 12:00 PM **Lunch**

12:00 PM – 12:30 PM

The Chest Pain You Never Want to Miss – Aortic Dissection

- Identify early symptoms, risk factors, and treatment of aortic dissection

Joseph V. Lombardi, MD, FACS

12:30 PM – 12:55 PM

Getting to the Heart of the Matter: Cannabis and Your Patient

- Identify components of cannabis and the role of the endocannabinoid system in humans
- Identify potential drug-drug interactions and side effects of THC and CBD

Andrew Peterson, PharmD, PhD

12:55 PM – 1:20 PM

AI Assisted Diagnosis of Valvular Heart Disease – ARGUS

- Define artificial intelligence
- Discuss common diagnoses associated with valvular heart disease

Steven J. Weiss, MD, MBA

1:20 PM – 1:35 PM **Questions & Answers**

1:35 PM – 1:45 PM **Break**

1:45 PM – 2:10 PM

Medical Professional Burnout

- Describe methods and strategies to prevent medical professional burnout

Kevin Sowti, MD, MBA and Aneesha K. Dhargalkar, MD

2:10 PM – 2:35 PM

Doc of the Day Panel: “Can You See This Patient Today?”...

- Discuss the risk stratification recommendations for common presentations such as chest pain or syncope

Mian Jan, MD, Amanulla Khaji, MD and Valerie Penders, CRNP

2:35 PM – 2:55 PM **Questions & Answers**

2:55 PM – 3:00 PM **Closing Remarks and Adjourn**
