Penn Medicine Cutting Edge: Vasculitis is a one-day course featuring internationally renowned faculty who will provide lectures on the state-of-the art for evaluating and treating multiple forms of vasculitis, including ANCA-associated vasculitis (granulomatosis polyangiitis and microscopic polyangiitis), eosinophilic granulomatosis with polyangiitis, Behçet’s disease, cryoglobulinemic vasculitis, central nervous system vasculitis, giant cell arteritis, Takayasu’s arteritis, and others. The course will also focus on renal and skin involvement in vasculitis. Each presentation will highlight the latest research advances and provide attendees with a clear understanding of the current standard of care for treatment of these challenging diseases. The course format will also include question and answer sessions and case discussions.

Penn Medicine Cutting Edge: Vasculitis is designed to meet the educational needs for rheumatologists, dermatologists, nephrologists, and other physicians specializing, or with an interest in, the evaluation and management of various forms of vasculitis.

Learning Objectives
At the conclusion of this educational activity, the participant will be better able to:

- Review current standard of care in vasculitis.
- Discuss treatment updates for the management of both large- and small-vessel vasculitis.
- Appropriately use laboratory and non-invasive imaging modalities for diagnosis and management of vasculitis.
- Review the current state of research into new therapies for vasculitis and how such work applies to the routine care of patients with vasculitis.

Hosting Department
Penn Medicine Cutting Edge: Vasculitis is hosted by the Division of Rheumatology at the University of Pennsylvania.
Disclosures
Penn Medicine, Office of Continuing Medical and Interprofessional Education, adheres to the ACCME Standards for Commercial Support. Faculty and planners’ disclosure information will be made available in the conference materials and syllabi. Faculty members are also expected to disclose to participants any discussions of off-label and/or investigational uses of pharmaceutical products within their presentations.

Accreditation
In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit
Physicians: Penn Medicine designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification (MOC):
Successful completion of this CME activity enables the participant to earn up to 6.5 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

Certificates and Transcripts: After the conference has concluded, all participants will receive a follow-up email with instructions and a link. Once participants submit the request for credit, the earned credits will be available for viewing on a transcript and certificates will be available for printing at https://upenn.cloud-cme.com. Please note that the individual certificate will not be mailed.
Registration Fees

The registration fees for Penn Medicine Cutting Edge: Vasculitis are $125 for physicians and other healthcare professionals; $250 for employees in the biopharmaceutical industry, and $50 for those who also register for The 19th International Vasculitis and ANCA Workshop (www.vasculitis2019.org) taking place on April 7-10, 2019.

Registration for residents and fellows is complimentary with a letter from your program director confirming your training status. This letter must be emailed to penncme@pennmedicine.upenn.edu.

The registration fee includes attendance at the course, a program, access to view the slide presentations online, and credit certificate. Continental breakfast, breaks and lunch will be provided.

If you are registering with a credit card, please register online at https://upenn.cloud-cme.com/vasculitis2019.

We cannot accept faxed or mailed registration forms with credit card information. To pay by check, complete the registration form and mail it in with your check. Please see the registration form for mailing information. Please note: mailed registrations can take up to 5-10 business days before they are received. All registrations will be confirmed by email.

Cancellation and Refund Policy

In order to process refunds for course withdrawals, cancellations must be received in writing by March 22, 2019 (subject to a service charge of $15.00). No refunds will be issued thereafter.

The University reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement, the University will refund registration fees, but is not responsible for related costs or expenses to participants, including cancellation fees assessed by hotels, airlines, and travel agencies.
