PROGRAM OVERVIEW & TARGET AUDIENCE

In the last few years, there has been dramatic advancement in the diagnostic tools and treatment options available for neuromuscular disorders. While this is a welcome development, it may be challenging for neurologists taking care of patients with neuromuscular disorders to keep up-to-date with all of these advances. The purpose of the *Penn Neuromuscular Symposium* is to provide both a basic approach to patients with these disorders as well as an update on novel therapeutic agents and future directions. The symposium will also explain how to enhance collaboration and knowledge exchange among neurologists and other healthcare professionals taking care of this unique patient population, which will also help facilitate enrollment in exciting clinical trials here at Penn.

This course has been developed to meet the educational needs of neurologists, other physicians and associated professionals with an interest in neuromuscular medicine.

LEARNING OBJECTIVES

Upon conclusion of this educational activity, the participant will be better able to:

- Explain different types of diabetic neuropathies and how to manage them
- Describe novel treatment in myasthenia gravis
- Apply into practice advances in myotonia congenita
- Describe how to approach weakness in the critically ill patient
- Discuss new methods to diagnose and treat neuropathy in amyloidosis
- Discuss different types of demyelinating neuropathies and how to manage them
- Describe how to manage pain in patients with neuropathy
- Discuss illustrative cases (interactive)

HOSTING DEPARTMENT

The *Penn Neuromuscular Symposium 2023* is hosted by the Department of Neurology at Penn Medicine.

ACCREDITATION

JOINTLY ACCREDITED PROVIDER[®]
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

DESIGNATION OF CREDIT

Physicians: Penn Medicine designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of 6.5 Category 1 credits for completing this activity.

Certificates and Transcripts: After the conference has concluded, all participants will receive a follow-up email with instructions and a link with instructions on how to claim their credit. Once participants submit the request for credit, the earned credits will be available for viewing on your transcript or available for printing at <https://upenn.cloud-cme.com>. Please note that the individual certificate will not be mailed.

LIVE AND VIRTUAL PRESENTATIONS

Penn Neuromuscular Symposium 2023 will be held Saturday, May 20, 2023 by in-person or live-stream (virtual) attendance. The live and virtual presentations will follow the scheduled agenda in real time (EDT).

TO ATTEND IN-PERSON:

Meeting Location

Penn Neuromuscular Symposium 2023 will take place in the Arthur H. Rubenstein Auditorium at the Smilow Center for Translational Research, 3400 Civic Center Blvd., Philadelphia, PA 19104

TO ATTEND BY LIVE-STREAM (VIRTUAL):

Attendees who are registered to attend virtually will receive an email including the link to join the symposium 48 hours in advance. All virtual attendees will be required to sign into the meeting using your first name, last name and email address in order to be marked as attended and receive credit.

REGISTRATION FEES
