

New Horizons in Nephrology: Glomerular Disease 2020: Moving the Needle

A CME-ACCREDITED CONFERENCE

Friday, April 24, 2020

**Gift of Life
401 North 3rd Street
Philadelphia, PA**

COURSE CO-DIRECTORS

**Jonathan Hogan, MD
Abdallah Geara, MD**

 **Penn Medicine**
3400 Spruce Street / Renal / 1 Founders
Philadelphia, PA 19104

**New Horizons in Nephrology:
Glomerular Disease 2020: Moving the Needle**
A CME-ACCREDITED CONFERENCE
Friday, April 24, 2020

Gift of Life
401 North 3rd Street
Philadelphia, PA

COURSE CO-DIRECTORS

Jonathan Hogan, MD
*Assistant Professor of Medicine
Clinical Director
Penn Glomerular Disease Center
Renal Electrolyte and
Hypertension Division*

Abdallah Geara, MD
*Assistant Professor of
Clinical Medicine
Renal Electrolyte and
Hypertension Division*

COURSE FACULTY

University of Pennsylvania Faculty

Gaia Coppock, MD
*Assistant Professor of
Clinical Medicine
Renal Electrolyte and
Hypertension Division*

Staci Kallish, DO
*Assistant Professor of
Clinical Medicine
Division of Translational Medicine
and Human Genetics*

Laura Dember, MD
*Professor of Medicine
Renal Electrolyte and
Hypertension Division*

Matthew Palmer, MD, PhD
*Assistant Professor
Pathology and Laboratory Medicine
Surgical Pathology Division*

Abdallah Geara, MD
*Assistant Professor of
Clinical Medicine
Renal Electrolyte and
Hypertension Division*

Rennie Rhee, MD
*Assistant Professor of Medicine
Rheumatology Division*

Jonathan Hogan, MD
*Assistant Professor of Medicine
Renal Electrolyte and
Hypertension Division*

Sanjeev Shah, MD
*Assistant Professor of
Clinical Medicine
Renal Electrolyte and
Hypertension Division*

Lawrence B. Holzman, MD
*C. Mahlon Kline Professor
of Medicine
Chief, Renal Electrolyte and
Hypertension Division*

Meeting Location

New Horizons in Nephrology: Glomerular Disease 2020: Moving the Needle will be held on Friday, April 24, 2020 at the Gift of Life, 401 North 3rd Street, Philadelphia, PA 19103.

Located at 401 North 3rd Street, the Gift of Life Institute is an international training center for donation professionals offering comprehensive, interdisciplinary resources for skills-based learning, continuing education, collaborative research, and consulting services. Established in 2004, the Gift of Life is a non-profit education and research arm of The Transplant Foundation, a non-profit charitable organization supporting the objectives of Gift of Life Donor Program in Philadelphia, Pennsylvania.

Hotel Information

If overnight accommodations are required, one of the following hotels, or another area hotel, can be contacted. There is no conference rate.

The Franklin Hotel
401 Chestnut Street
Philadelphia, PA 19104
215-925-0000

Lowes Philadelphia Hotel
1200 Market Street
Philadelphia, PA 19107
888-575-6397

Hilton Garden Inn
1100 Arch Street
Philadelphia, PA 19107
215-923-0100

Hotel Monaco
433 Chestnut Street
Philadelphia, PA 19106
215-925-2111

Services for the Disabled If special arrangements are required for an individual with a disability to attend this meeting, please contact Evelyn Heldon at 215-662-7934 by March 30, 2020.

Nondiscrimination Statement The University of Pennsylvania values diversity and seeks talented students, faculty, and staff from diverse backgrounds. The University of Pennsylvania does not discriminate on the basis of race, sex, sexual orientation, gender identity, religion, color, national or ethnic origin, age, disability, or status as a Vietnam Era Veteran or disabled veteran in the administration of education policies, programs or activities, admission policies; scholarship and loan awards, athletic, or other University administered programs or employment. Questions or complaints regarding this policy should be directed to Executive Director, Office of Affirmative Action and Equal Opportunity Programs, 3600 Chestnut Street, Sansom Place East, Suite 228, Philadelphia, PA 19104-6106 or 215-898-6993 (Voice) or 215-898-7803 (TDD). www.upenn.edu/affirm-action.

New Horizons in Nephrology: Glomerular Disease 2020: Moving the Needle

Friday, April 24, 2020

AGENDA

- 7:15 – 7:50 AM **Registration and Continental Breakfast**
- 7:50 – 8:00 AM **Welcome Remarks**
Lawrence B. Holzman, MD; Jonathan Hogan, MD
- 8:00 – 8:40 AM **IgA Nephropathy**
Sanjeev Shah, MD
- 8:40 – 9:20 AM **Lupus Nephritis**
Abdallah Geara, MD
- 9:20 – 9:30 AM **Break**
- 9:30 – 9:50 AM **Anti-GBM Case**
Gaia Coppock, MD
- 9:50 – 10:30 AM **ANCA Associated Vasculitis**
Rennie Rhee, MD
- 10:30 – 10:40 AM **Ask the Panel**
Gaia Coppock, MD; Abdallah Geara, MD; Rennie Rhee, MD and Sanjeev Shah, MD
- 10:40 – 10:50 AM **Break**
- 10:50 – 11:40 AM **Minimal Change Disease and Focal Segmental Glomerulosclerosis**
Lawrence Holzman, MD
- 11:40 AM – 12:20 PM **Membranous Nephropathy**
Jonathan Hogan, MD
- 12:20 – 12:30 PM **Ask the Panel**
Lawrence Holzman, MD; Jonathan Hogan, MD
- 12:30 – 12:40 AM **Pick up Lunch**
- 12:40 – 1:00 PM **Lunch and Glomerular Disease Trial Update Discussion**
Jonathan Hogan, MD
- 1:00 – 1:40 PM **Genetic Testing and Kidney Disease – Are We There Yet?**
Staci Kallish, DO
- 1:40 – 2:00 PM **Case Presentation Diabetic Nephropathy**
Gaia Coppock, MD
- 2:00 – 2:20 PM **Break**
- 2:20 – 2:50 PM **Rethinking MPGN in 2019**
Matthew Palmer, MD, PhD
- 2:50 – 3:30 PM **Paraproteinemic Kidney Disease**
Laura Dember, MD
- 3:30 – 4:00 PM **Questions and Answers**
- 4:00 PM **Final Remarks/Adjourn**
Jonathan Hogan, MD

Program Overview & Target Audience

Glomerular disease is associated with morbidity and mortality in patients of all ages and is a common cause of end stage kidney disease. These include those that commonly present with nephrotic syndrome (minimal change disease, FSGS and membranous nephropathy), the nephrotic syndrome (vasculitis, lupus nephritis and IgA nephropathy), among others. Treatment often utilizes immunosuppressive regimens such as high dose corticosteroids, alkylating agents, calcineurin inhibitors, biologics and antimetabolites, which are associated with significant side effects and morbidity. Thus, glomerular diseases present a difficult and unique challenge to both patients and nephrologists and are associated with high treatment costs and historically, have had poor renal outcomes. There have been significant recent advances in the field in both the diagnosis and treatment of glomerular diseases, and the current guidelines for managing glomerular disease require updating. It is important for physicians to stay current with these new approaches to managing glomerular diseases.

This program has been designed for nephrologists and will address the latest updates and significant challenges of glomerular disease. A combination of case presentations and lectures will be used to provide an academically sound and clinically relevant review

Course Objectives:

At the conclusion of this activity, participants should be able to:

- Explain how recent and ongoing clinical trials may impact the treatment of IgA nephropathy
- Discuss recent data on the treatment of lupus nephritis
- Explain how recent randomized controlled trials in ANCA associated vasculitis are informing clinical management of this disease
- Demonstrate expertise in diagnosing and treating membranous nephropathy in 2020
- Show competency in the use of serum anti PLA2R antibody testing in patients with membranous nephropathy
- Review how recent genetic studies may impact the diagnosis and treatment of patients with glomerular disease

Hosting Department and Organization

New Horizons in Nephrology: Glomerular Disease in 2020: Moving the Needle is hosted by the Renal Electrolyte and Hypertension Division of the Perelman School of Medicine at the University of Pennsylvania.

Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

(ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Penn Medicine designates this live activity for a maximum of 7.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosures

Penn Medicine, Office of Continuing Medical and Interprofessional Education, adheres to the ACCME *Standards for Commercial Support*. Faculty and planners' disclosure information will be made available in the conference materials and syllabus. Faculty members are also expected to disclose to participants any discussions of off-label and/or investigational uses of pharmaceutical products within their presentations.

Registration Fee

The registration fees for *New Horizons in Nephrology: Glomerular Disease in 2020: Moving the Needle* are \$75 for physicians, \$50 for nurses, and \$75 for other healthcare providers when paying in advance. The fee for onsite registration is \$90 for everyone. A reduced registration fee of \$10 is available for all residents and fellows. The fee includes course registration, continental breakfast, luncheon, refreshment break, and a course syllabus. Additional details for registration are located on the Registration Form in this brochure.

To register for the conference, please mail or fax the registration form. If paying by check, make the check payable to **The Trustees of the University of Pennsylvania**. To fax the completed form, fax to 215-615-0349. See the attached registration form for mailing information. **Registrations must be received by April 1, 2020.**

Cancellation and Refund Policy

In order to process refunds for course withdrawals, cancellations must be received in writing by April 10, 2020 and are subject to a service charge equivalent to 10% of the registration fee. No refunds will be issued thereafter.

The University of Pennsylvania reserves the right to cancel or postpone this course due to unforeseen circumstances. In the event of a cancellation or postponement, the University will refund registration fees but is not responsible for related costs or expenses to participants, including cancellation fees assessed by hotels, airlines, and travel agencies.

REGISTRATION FORM

New Horizons in Nephrology: Glomerular Disease 2020: Moving the Needle

Friday, April 24, 2020

To register for the course, please mail or fax the completed registration form below. If paying by check, make the check payable to **The Trustees of the University of Pennsylvania**. The fax number is 215-615-0349.

Mail Payment and Registration Information to:

Evelyn Heldon, Conference Coordinator
The Hospital of the University of Pennsylvania
Renal Electrolyte and Hypertension Division
3400 Spruce Street / 1 Founders, Philadelphia, PA 19104
