CME/CE-ACCREDITED CONFERENCE

FRIDAY, JANUARY 29, 2021

THIS CONFERENCE WILL BE LIVE STREAMED

<https://upenn.cloud-cme.com/RealWorldGI2021>

COURSE DESCRIPTION & TARGET AUDIENCE

The objective of this conference is to discuss evidence derived from real world data and other clinical research methods that will influence clinical care in gastroenterology and hepatology. The meeting will have three sections: Advanced Liver Disease Management, Colon Cancer Prevention, and Inflammatory Bowel Disease Comparative Effectiveness. Each section will include a combination of clinical updates, introduction of important research methods germane to the subject matter and a panel discussion among experts in the field.

This activity has been designed for gastroenterologists, hepatologists, gastrointestinal surgeons, colon & rectal surgeons, gastroenterology fellows, internists, residents, physician assistants, epidemiologists, biostatisticians and other health care professionals.

LEARNING OBJECTIVES

Upon conclusion of this educational activity, the participant should be able to:

- Review latest advances in management of advanced liver disease derived from real world data
- Assess the latest evidence on gastrointestinal cancer screening and prevention derived from real world data
- Review and compare the results for comparative effectiveness studies in inflammatory bowel disease
- Describe the resources and methods available for real world data studies in gastroenterology and hepatology

HOSTING DEPARTMENT

University of Pennsylvania Real World Evidence in Gastrointestinal and Liver Diseases Conference is hosted by the Division of Gastroenterology, Department of Medicine at the University of Pennsylvania.

ACCREDITATION

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

DESIGNATION OF CREDIT

Physicians: Penn Medicine designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.5 MOC points in the American Board of Internal Medicine's (ABIM)

Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Physician Assistants: Penn Medicine has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 6.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Certificates and Transcripts: After the conference has concluded, all participants will receive a follow-up email with instructions and a link. Once participants submit the request for credit, the earned credits will be available for viewing on your transcript or available for printing at <https://upenn.cloud-cme.com>. Please note that the individual certificate will not be mailed.

CONFERENCE FORMAT

The *University of Pennsylvania Real World Evidence in Gastrointestinal and Liver Diseases Conference* will be held virtually on Friday, January 29, 2020. In-person attendance is not permitted for this conference.

REGISTRATION FEES

There is no fee to register for this conference, however pre-registration is required. Registration includes live stream access to the conference and access to view the presentations (slides) online.
